

CYBER LIABILITY

The FrankCrum Cyber Liability Program protects client companies from the costs of a suspected or actual violation of a privacy regulation due to a security breach resulting in the unauthorized release of protected personal information. The program is underwritten by an AM Best-rated insurance carrier.

CLIENT PORTAL

Through the client portal you can access your Certificate of Insurance, submit claims, and view General FAQs.

Access the client portal:
<https://www.royalgroupservices.com/ec1250etheft/frankcrum/>

Note: Enter your company FEIN as your employee ID.
